Valvoline™ Cockpit Spray

Cockpit Spray restores that new car look without leaving a sticky coating.

Silicone free Cockpit Spray cleans, restores and protects vinyl and leather. Cockpit Spray, provides an anti-static film that repels dust and dirt as well as shields against ultraviolet damage.

Applications

Cleans and protects vinyl and leather surfaces.
Protects dashboards, trim and seats with an anti-static film, repelling dust and dirt as well as providing an ultraviolet shield.

Use Cockpit Spray for cars, trucks, boats, recreational vehicles, outdoor furniture and vinyl upholstered furniture.

Easy to use:

Spray directly onto the surface and polish using a soft, dry cloth for a dust resistant, rich finish. Hold spray can upright about 15-20 cm from surface to be treated and spray. Wipe off any excess.

Features & Benefits

Superior performance and protection

Silicone-free Cockpit Spray instantly cleans and protects vinyl and leather. Cockpit Spray contains special ingredients to repel dust and dirt. Minimizes fading and cracking of vinyl's and leather caused by ultraviolet light.

Deposit control

Cockpit Spray cleans and protects vinyl and leather. It protects the interior of the car against dirt deposits. New deposits can be easily removed.

Health & Safety

This product is not likely to present any significant health or safety hazards when properly used in the recommended application and good standards of personal hygiene are maintained. Reference is made to the Safety Data Sheet (SDS) which is available on request via your local sales office or via the internet <http://msds.valvoline.com>

Protect the environment

Take used chemicals to an authorized collection point. Comply with local regulations. Do not discharge into drains, soil or water.

Storage

We recommend to store all packages under cover. In case outside storage is unavoidable, drums should be laid horizontally to avoid the possible ingress of water and damage to drum markings. Products should never be stored above 60°C, exposed to hot sun or freezing conditions.
